INVOICE SUBMISSION MADE EASY

HMI
Performance Incentives

From HMI Performance Incentives, a leader in innovative motivation solutions since 1980.

Need an accurate invoice submission process that also delivers valuable business intelligence? With **Snap2Claim**, reward program participants can submit their data simply and conveniently. HMI's **Snap2Claim** technology eliminates time consuming processes, avoids manual entry errors, and fixes problems like changing products and SKUs and limited data capture.

Utilizing automation and SaaS platform integration, **Snap2Claim** takes Business Intelligence to the next level and gives your participants a quicker, more efficient, and much more user-friendly experience.

Finally, a comprehensive claims process that's easy to use — and right at your fingertips.

Visit your program web site
Login to your reward site submission page using your preferred device or computer.

Identify device and invoice type
Select whether you're submitting from your phone/tablet/computer and whether it's a single page or multi-page invoice.

Snap or scan your invoices
Use your preferred device to snap a picture or upload a scan file from your computer to submit an invoice.

Review for rewards!
Check the submission status of your invoices – your rewards will be on their way quickly.
