

PROMO2GO!

A BIG PROMOTION IN A LITTLE PACKAGE

From HMI Performance Incentives, a leader in innovative motivation solutions since 1980.

Promo2Go! is a turn-key incentive product that brings together the personal connection of an in-store retail promotion with the engagement and data collection capabilities of an online gamification platform. This versatile, packaged solution allows you to apply your own insight to an easy-to-implement marketing campaign — everything you need is in the box!

PROMO2GO! BENEFITS

- Promote loyalty by making end users and customers feel valued with a fun and engaging offer that can help push product through the sales channel faster
- Turn-key solution, easily purchased and designed with a flexible earning structure determined by you
- Improve ROI for partners on invested co-op funds
- Enhance your front-line database, drive increased market share and sales, and positively impact inventory turns
- Everybody wins and has an opportunity to win a larger, more valuable prize

When you buy Promo2Go!, you will receive:

- **Customized promotion** labeled with your brand and a second sponsored, product or co-brand
- **One Grand Prize package** selected by you from a variety of pre-packaged options
- **100 Game Code Cards** with access to an online game. Game Code Cards reward recipients with participation in an online game, which, in turn rewards them with varying prize levels. First prize winners of the game receive an instant notification where they can redeem for over 150 different Gift Card options.
- **Essential marketing materials** to market your promotion, including a 33" x 44" branded point-of-sale poster
- **Promotion website** with vanity URL and game
- **Data collection tools** to examine customer profiles and purchase data

100 Game Cards

100 Instruction Sheets
